

Accessibility Statement

February 9th, 2025

At Daybreak Therapy, we are committed to providing a welcoming and accessible environment for all individuals seeking mental health services. We understand that each person's needs are unique, and we strive to ensure that our services are accessible to everyone, including individuals with disabilities.

Communication Accessibility: We are committed to providing effective communication for individuals with sensory impairments. If you require communication support, such as sign language interpretation, written materials in alternative formats (e.g., large print or Braille), or assistance with other communication needs, please let us know in advance so we can make appropriate accommodations.

Teletherapy Services: We offer teletherapy services through secure video and phone platforms. This allows individuals to participate in therapy from the comfort of their own home or another location of their choice.

Website Accessibility: We are actively working to ensure that our website is accessible to all users, including those with disabilities. If you experience any difficulty accessing information or features on our website, please reach out to us so we can address any issues.

Requesting Accommodations: If you require any accommodations or have specific accessibility requests, please don't hesitate to contact us at [Insert phone number or email address]. We are here to ensure that your experience with Daybreak Therapy is as comfortable and inclusive as possible.

Thank you for choosing Daybreak Therapy. We look forward to supporting you on your mental health journey.
